STATE ROUTE 38 CLOSED DUE TO FIRE

SAN BERNARDINO COUNTY - State Route 38 is closed from Bryant Street in Yucaipa to Lake Williams Road due to a wildfire. The duration of this closure is unknown at this time.

Residents of mountain communities outside of the area affected by this closure will be able to utilize State Route 18 and State Route 330 as alternatives to access their property. Currently, State Route 330 is under construction. However, Caltrans is working with the contractor to keep State Route 330 open with reversible traffic control (escorts) until further notice. Vehicles five tons and over will not be permitted on State Route 330. Motorists are advised to be on the alert for the contractor's work vehicles, since the contractor will continue to work. Traffic will not be permitted to travel through the closure area.

New information regarding the road closure will be released when available. Caltrans urges motorists to avoid the closure area and follow the directions of emergency personnel. For updates on Riverside and San Bernardino county state highway work, please go to our website at www.caltrans8.info and click on "Press Releases" or call (866) 383-4631 for information.
